

Mueller Optics introduces the New, Innovative and Affordable Sport Dot® Series Rifle Scopes

The newest and most advanced red dot scopes on today's market.

With a host of advanced features, the Mueller Sport Dot Series Rifle Scopes include a new cross hair design that features a German #4 and illuminated 1/8moa red dot. The dot, when illuminated has 11 different brightness intensity settings (dot is black when not illuminated). The Sport Dot also features fully multi-coated optics, fast focus eyepiece, easy finger target style turrets with click stops and fine tune 1/8moa adjustments. The Scope is waterproof, fogproof comes in a black matte finish and 1" tube construction. The Mueller Sport Dot has a limited lifetime warranty and is being offered at an extremely affordable price.
